

RxMobile

ONE STOP. ONE FILL. ONE PAYMENT.
REFILLS MADE EASY.

We believe that you're the most important member of your healthcare team, so why shouldn't you be able to manage your prescriptions?

RxMobile is a free and easy-to-use app that allows iPhone/Android users to manage their family's prescriptions, order refills, set medication reminders and find pharmacy location information. There is no charge to download or use the app.

Downloading the app is easy!

First, simply access either the iTunes App Store or the Android App on Google Play and search for the name of your pharmacy.

Next, register for an account by entering your last name and date of birth, along with any existing prescription number.

Finally, add all of your family members to your account for quick and easy access to all of your prescriptions.

Refills ordered directly from your smartphone — easy, free, convenient — and managed by you!
